MARLIN-ROCKWELL DIVISION OF TRW, INC.

IN THE MATTER OF AN ORDER TO MARLIN-ROCKWELL DIVISION OF TRW, INC.

ORDER

Having found that Marlin-Rockwell Division of TRW, Inc. is maintaining a facility which reasonably can be expected to create a source of pollution of the waters of the state under the provisions of Chapter 474a, Connecticut General Statutes as amended the Commissioner of Environmental Protection acting under Section 25-54k hereby Orders Marlin-Rockwell Division of TRW, Inc. to take such action as is necessary to:

1) Devise and implement an acceptable plan for the removal of oil and oil-bearing sludge stored in the lagoon maintained on the property of Marlin-Rockwell Division of TRW, Inc. and construct any facilities as may be required for the adequate treatment and disposal of said wastes.

Marlin-Rockwell Division of TRW, Inc. is further Ordered to accomplish the above described program, except as may be revised by the recommendations of detailed engineering study and agreed to by the Commissioner of Environmental Protection in accordance with the following schedule:

- A) On or before April 30, 1977 submit for the review and approval of the Commissioner of Environmental Protection a final engineering report on the method of treatment and disposal proposed.
- B) On or before June 30, 1977 submit for the review and approval of the Commissioner of Environmental Protection contract plans and specifications for the required treatment facilities.
- C) On or before July 30, 1977 verify to the Commissioner of Environmental Protection that construction has been started.
- D) On or before October 30, 1977 verify to the Commissioner of Environmental Protection that the constructed facilities have been placed in operation.
